Location: Tweed Heads is as far north as you can get in NSW, with the town abutting the Queensland border, and turning into Coolangatta on the other side, with both known as the Twin Towns. The area is a hotbed of activity, with tourism, shopping, surfing and some of the fastest residential growth in the state. It is nestled in the caldera of an ancient shield volcano and offers a wealth of holiday experiences - from lush World Heritage listed rainforests and rolling green farmland to unspoilt beaches and ocean adventures - all easily accessed from the Gold Coast Airport.

This is the heart of Australia's Green Cauldron, nominated by Tourism Australia as a 'National Landscape' and a must-see destination for travellers who want to get off the beaten tourist track to discover the real Australia.
