Location: Ideally located at the intersection of major road and rail routes and an air transport hub, the City is a thriving business centre servicing a regional population in excess of 120,000 people with a population of 42,000. The city is a thriving regional home to people who enjoy close proximity to extensive medical, health, welfare, educational, recreational, cultural and shopping facilities, while State and Federal government departments have established regional offices in the City. You can live close to where you work, so you can have a fulfilling career and time to spend on yourself and your family. Here you can achieve an optimal work/life balance.

The city offers an affordable rental and real estate market, provides first-rate medical services to one-third of the State, and has a well-established pre-school, public and private education network. Local industries include retail, health, manufacturing, transport, tourism, education, construction, business services, agricultural and government services.
