Location: From swimming and surfing to fishing and boating, North Haven is a delightful holiday destination in the Greater Port Macquarie region on the NSW North Coast. You'll be delighted with the beautiful waterways, including Camden Haven River and Queens Lake. With the most temperate climate in Australia, the region is the perfect place to live and enjoy the great outdoors every day.

The region is serviced by a network of air, road and rail infrastructure that radiates north, south and west. It is an easy four hour drive to Sydney and continued Pacific Highway upgrades are supporting even faster connections to the Queensland growth areas of Brisbane and the Gold Coast.

Significant investment in infrastructure is positioning the region as a burgeoning growth centre with a bright economic outlook. The

region is now considered the top destination for property growth in Australia with estimated growth of a further 20% over the next three years.
