Location: Tamworth is a dynamic, modern and progressive city and a major regional service centre with an easy going lifestyle and a strong economy. Manufacturing, health and community services, education, logistics, wholesale trades, food processing and tourism and hospitality provide a solid economic base for the city. Retail is the biggest employer, and there's a strong base in property and financial service sectors, aviation and construction. Agriculture generates significant economic activity, and so does the Australian Equine and Livestock Events Centre.

Tamworth is a vibrant, easy going place, a top Evocity where the lifestyle means work isn't such a hard stretch and there's plenty of time after work to play sport, play with the kids or just take it easy. Salary rates in regional cities like Tamworth are comparable to Sydney salaries, if not better for many career sectors - but the biggest bonus is in the work/life balance. You get to enjoy it more as a result of lower housing costs, less time travelling to and from work and improved cost of living. There are a lot of reasons why the Tamworth region is attracting people and businesses. People are attracted to the lifestyle, the healthy environment, a vibrant retail sector, excellent sporting facilities and many employment opportunities.
