- Contact us now for further details!

Tamworth is a dynamic, progressive city and a major regional service centre with an easy-going lifestyle and a strong economy. Manufacturing, health and community services, education, logistics, wholesale trades, food processing and tourism and hospitality provide a solid economic base. Retail is the biggest employer, and there's a strong base in property and financial service sectors, aviation and construction. Agriculture generates significant economic activity, as does the Australian Equine and Livestock events centre.

Contact **David Head** from **Tourism Brokers** for further information or to arrange an inspection.
