grabbing a delicious bite to eat, entertainment, accommodation, sports bar including 3 poker machines and it is a pitstop to drive through and grab your alcohol.

Fishery Falls Hotel is offering you the chance to be your own boss, work your own hours and earn a great income.

There is great patronage from itinerant workers, tourists and repeat local clientele, that will have you making a profit from day-one.

It's the only Pub within 30km, and is an icon for the weekend Cairns residents, Motorcycle clubs, and passing northbound and southbound travellers.

A new Truck/ Caravan Stop across the road has many trucks stopping for a shower, a great feed and sleep before heading north or south again.

Further, Greater Cairns is continually heading further south in its development and it is expected that Fishery Falls will have more Hobby Acreage sites and an influx of residents, who will enjoy a short commute to reach Cairns Industrial workplaces, but enjoy an idyllic existence in the lush rainforests of Fishery Falls.
